Skills

- **Technical Skills:** C++, Java, Front-End Development, Node-JS, SQL.
- **Soft Skills:** Adaptability, Quick Learner With Strong Work Ethic.

Projects

Pizza Delivery App(2024): A Pizza Delivery App built with React.js and MongoDB allows users to browse a menu, customize orders, and track deliveries. It includes user authentication, cart management, payment integration, and an admin dashboard for managing orders and menu items. The tech stack uses React for the frontend, Node.js/Express for the backend, and MongoDB for data storage. Perfect for showcasing full-stack skills.

Ecommerce Website (2024): Devised a project that is used to share valuable content, ideas, expertise, or experiences with a specific audience, aiming to inform, entertain, inspire, or engage readers while building a community. It is built using HTML,CSS,JS & Node-JS.

To-Do App (2023): A to-do app is a digital tool that allows users to create, categorize, prioritize, and set reminders for tasks, manage recurring tasks, and break them down into subtasks to help organize and track their responsibilities effectively. It is built using HTML,CSS,JS.

Education

- Bachelor of Engineering in Computer Science and Engineering | Chitkara University, Himachal Pradesh
CGPA: 7.50 | Expected 2026
- 12th Standard WBBSE | Chalk Mukunda High School, West Bengal 91.5% | 2022
- 10th Standard WBCHSE | Bagnabarh High School, West Bengal 67.5% | 2020

Certificates

- Software Development Processes and Methodologies | Infosys (2022)
- Computer Network & Internet Security | Infosys (2023)
- Database Management System Part | Infosys (2023)
- Database and SQL | Infosys (2024)
- Programming Using C++ | Infosys (2023)

Hobbie

- Football and VolleyBall.
- Photographer
- Travelling

Extra-Curricular Activities

- Participated in various open round coding competitions in various websites.
